Zoom Client Access

• From desktop, click on the Zoom Client icon
• Select “Sign In” to schedule new meetings OR Select “Join” to start a scheduled meeting
• Next, choose “Sign in with SSO,” then type “yorku” for domain
• Proceed to enter your PPY info
Recommended settings for new session...

- Select “Schedule to complete creation of your new session.
- After scheduling a new session, you may log out by selecting your profile icon at the top right, then “Sign Out”
Zoom Web Access

• From Browser, go to yorku.zoom.us
• Select “Sign In” at the top right, Enter your PPY (Passport York) info
• This will automatically launch you into your “Profile” menu where you can update your info

The above horizontal menu will also appear:

• “Host A Meeting”
  Select this to host a spontaneous meeting with OR without video
• “Join A Meeting”
  Select this to join A Meeting by invitation – you will need to provide either a Meeting ID or Personal Link Name
Web Dashboard

- The left bar menu allows more options:
  - **“Meetings”**
    Select Meetings to schedule new, individual or recurring meetings
  - **“Recordings”**
    Allows you to either download your MP4s or copy the link to paste into Moodle or e-mails
  - **“Settings”**
    Use this to save your favourite settings for your meetings
  - **“Reports”**
    Allow you to view meetings/participants and minutes within certain time frame
    You may view registration and poll reports
  - Select **Profile** and scroll to the bottom to select “Sign me out from all devices”
Zoom Moodle Access

From a browser, type in moodle.yorku.ca and sign in with your PPY info

- Select “Turn Editing On” from the cog/wheel at the top right
- Next, select “Add an Activity or Resource,” then Scroll down and select “Zoom” then “Add”

- If meeting will not be awarded points, choose “None” to replace “Point” from drop-down menu
- Scroll to bottom and select “Save and Display”
Scheduling in Moodle

Select “Schedule” to create individual or recurring sessions, and follow the Recommended settings on Page 5. NB, it is difficult to make changes retroactively. It is probably best to schedule sessions in the Zoom Client and then copy the invitation links and paste them into Resource/URLs in Moodle: http://www.yorku.ca/laps/eso/esohelp/moodle/25_12_add_url_link.htm

Zoom Tips & Best Practices

- Mute Everyone
  Alt + M = mute everyone
  Mac User Command Ctrl M

- Hide Floating Meeting Ctrls (Press Esc to show ctrls)
  Ctrl + Alt + Shift + H

- Settings = Gear/Cog/Wheel at the top right
  Recommending going to Settings:
  - Choose Video and select “Turn off my Video” when joining meeting
  - Select “Virtual Background” to upload a favourite image

- NEW SHARE allows you to transition from one view to another, make your choice and then select the SHARE Button at the bottom right!
  PAUSE SHARE freezes the view and allows you to background search for something else (without others knowing what you're doing)
  Resume Share takes you back

- ANNOTATE allows you to highlight things on your screen (Recommend spotlight or arrow for others to follow you easily)

- STAMP ARROW allows you to mark your spot (with your name), then use Undo or Clear
  Other arrow can be kept permanently
